

# PLAYFORD McAULEY OUTSIDE SCHOOL HOURS CARE

We offer a safe, caring *and nurturing* environment that encourages learning through play. We continually strive for excellence and quality in all that we *do*.

## ABOUT

Playford McAuley OSHC is committed to providing a safe, secure, warm and friendly environment for all children.

Our OSHC service is managed by Catherine McAuley School in consultation with the Management Committee which comprises of representatives from both Playford Primary and Catherine McAuley schools and parent representatives.

The service has dedicated educators who have either formal qualifications in childcare or teaching or less formal training in the childcare field. As a team we are committed to the continual enhancement and improvement of our knowledge through ongoing professional development and training.

The future of Playford McAuley OSHC is to continue quality care for children, continually assess the services needs, upgrade/extend the service facilities so that we are able to offer care to all families of our growing school community.

## ACTIVITIES

Playford McAuley OSHC is able to access many of the Campus facilities including the playgrounds, hardcourts and oval. This provides us with many opportunities for activities within these areas.

Activities that are offered to children daily include homework, drawing, board games, home corner/dramatic play, outdoor areas and television or DVD viewing.

Creative activities are programmed for children by children submitting their program requests and by our team of educators.

During Vacation Care all of our usual activities are on offer as well as Excursions to exciting venues and Speciality Days where interesting and fun people visit the service.

The main focus of the activities at Playford McAuley OSHC is to enhance the development of children's skills in the areas of social, physical, cognitive and language.

## FAMILY PARTICIPATION

Family participation is always welcomed. Our service is supported by a Management Committee that meets twice per term to discuss and make decisions on many of the day to day aspects of the service.
